With the exception of Archer, Cathro & Associates (1981) Limited, all parties listed above are independent Qualified Persons as defined by National Instrument 43-101.

About ATAC

ATAC is a Yukon-based exploration company focused on developing Canada’s only Carlin-type gold district at its 100% owned Rackla Gold Project. Recent work on the 1,700 km² project has resulted in a positive Preliminary Economic Assessment for the Tiger Gold Deposit, drilling of multiple high-grade Carlin-type gold zones and the identification of numerous early-stage gold exploration targets. The Rackla Gold Project has no underlying royalties or third-party interests. ATAC is well-financed with approximately \$18 million in its treasury.
